Meet the teacher

Hi my name is Ms. Iris Angelene Dunaway, and I am very excited to be joining the 3- year-old preschool program at The Nannies Unlimited Child Center & Preschool Inc. I am thrilled to be your child's preschool teacher, and I'm looking forward to a year of learning, fun and adventure! I cannot wait to learn all about your child but first I'll tell you a little bit about me. I was born in Des Moines, Iowa attended East High School and currently living in Des Moines Iowa. I have been employed with the Nannies Unlimited since March 2021. I have been an assistant in the Ladybug Preschool Program for several years and have a love for the three/four-year-old child. Their curiosity for learning and growing at this age is so exciting and rewarding. There is so much that I'm looking forward to this year! Some of the focus of the week topics we will study will be, farm animals, the weather, transportation, all about me, manners, things at the fair, things at the beach, pond life, nursery rhymes, zoo animals, things in the sky, things in the ocean and safety. Thank you for allowing me this opportunity to be a part of your child's overall growth and development.
